

DISCLOSURES

As an organization accredited by the Accreditation Council for Continuing Medical Education (ACCME), the National Foundation for Infectious Diseases (NFID) must ensure balance, independence, objectivity, and scientific rigor in all its educational activities. NFID takes responsibility for the content, quality, and scientific integrity of this CME activity.

All individuals in a position to control the content of an educational activity are required to disclose all financial relationships with any ACCME-defined ineligible companies for the past 24 months. No one with the ability to control content of this activity has a relevant financial relationship with an ineligible company except:

- **Ruth Carrico** (Faculty) serves as an advisor for Johnson & Johnson/Janssen, Pfizer Inc., and Sanofi Pasteur; received research funding from Johnson & Johnson/Janssen, Pfizer Inc., and Sanofi Pasteur; and serves as a speaker for Pfizer Inc. and Sanofi Pasteur.
- **Wilbur Chen** (Faculty and Planning Committee Member) received research funding from Bharat Biotech International Ltd., Emergent Biosolutions, Inc., MassBiologics, UMass Medical School and Serum Institute of India, Pvt. Ltd.
- **Marla Dalton** (NFID Staff) owns stock from Merck & Co., Inc.
- **Kathryn Edwards** (Faculty) serves as a consultant for Bionet and IBM; and is a member of the data safety and monitoring board for Merck & Co., Inc., Moderna, Pfizer Inc., Roche, Sanofi, Seqirus, and X-4 Pharma.
- **Paul Goepfert** (Faculty) serves as a consultant for Johnson & Johnson; and received research funding from Sanofi.
- **C. Mary Healy** (Faculty) serves as a consultant for Moderna; and owns stock from Dexcom, Intuitive, Quidel Corporation, and Vapotherm.
- **Mark Mulligan** (Planning Committee Member) served as an advisor for Meissa Vaccines, Inc. and Pfizer Inc.; and received research funding from Lilly, Pfizer Inc., and Sanofi.
- **Walter Orenstein** (Faculty and Planning Committee Member) serves as an advisor for Moderna.
- **William Schaffner** (NFID Medical Director) serves as a consultant for VBI Vaccines.

All of the relevant financial relationships listed for these individuals have been mitigated

All other individuals in a position to control the content of this activity have no relevant financial relationships with ineligible companies to disclose
